25th February 2019

Dear Pip,

One day we will beat cancer. Thank you and [The Forest Vintage Vehicle & Machinery Club](#) for the incredibly kind donation of £500 raised by tractor & 4x4 runs through the Forest of Dean and the annual "Vintage Vehicle and Machinery Show". We are extremely grateful for this fantastic support, please thank everyone who made these events such an amazing success! On behalf of everyone at Cancer Research UK, thank you. We promise to make it count.

Cancer sadly affects 1 in 2 people in the UK, but your generosity means that we can bring real hope to those diagnosed with cancer and their families. Through our research, we've seen ten year survival rates double from one in four 40 years ago, to two in four today.

While this is a significant achievement, there remain many patients for whom outcomes are particularly poor. Our ambition is to accelerate our work so that three in four people survive the disease within the next 20 years.

Our research, entirely funded by people like you, will ensure that more people survive cancer; which is why we are so grateful for your support.

If you have chosen to hear from us, we'll keep you updated about the progress we are making and the ways you can support our work in the future. If you would prefer not to hear from us, and haven't told us this already, you can contact us on 0300 123 1022 or at supporter.services@cancer.org.uk to let us know. If there is anything else we can do for you please call us on the number above or you can visit us at www.cruk.org.

Together we will beat cancer.

Yours sincerely,

Trudy Stammer
Head of Volunteer Fundraising

If your communication to us includes personal information about your experiences of cancer, please be assured that, in line with General Data Protection Regulations, while we have stored this information on our system to enable us to respond to you, this will not be used by Cancer Research UK for any other purposes.
