Hope for Tomorrow

Bringing cancer treatment closer to home

Dear Sharon

Hope for Tomorrow - Mobile Cancer Care Units

I am writing to thank you for your generous donation of **£750.00** to go towards supporting our Mobile Cancer Care Unit.

We are very grateful for your support; your donation really does make a difference helping us to maintain the existing fleet of Mobile Cancer Care Units, as well as work to extend our coverage across the UK allowing us to benefit even more cancer patients, by bringing treatment closer to their homes. The charity has 10 units operational in Gloucestershire, Somerset, South Wiltshire, Hampshire, East Kent, Lincolnshire, Cornwall, West Suffolk, East Essex and London/Surrey. We know how dependent our patients are on receiving their treatment and for this reason, we now have two reserve MCCUs to ensure continuity of service.

We would like to continue to keep in touch with you but we need your permission to do so. As of May 2018 all charities will have to ask their supporters and volunteers to "opt-in" to any communication we may have with you, please help us by completing the form enclosed and returning it in the prepaid envelope provided.

We are committed to best practice and respect your privacy. If you change your mind and want to stop receiving our communications please email info@hopefortomorrow.org.uk and we will update our records.

Thank you so much for your support.

Warm regards,

Karen Lacey
