Message: Dear Mark On behalf of the Dean Forest Railway board of directors and myself I would like to take this opportunity to thank you for your part in helping deliver the very successful Vintage Vehicle Day held on 28th April 2019. Without your clubs dedication and support, we would not have been able to have such a magnificent display that was enjoyed by all of the visitors to the railway. Your members commitment and enthusiasm was a key part of the day and was very much appreciated by all that came. On behalf of your members, please accept my sincere gratitude for your assistance in helping make the event such an outstanding hit. We would love to make this a regular feature on our events calendar and grow this event for the benefit of both the railway and your club. On behalf of Dean Forest railway, I express my heartfelt thanks to you all. Regards Duncan Rowe General Manager
